Our Town

We are in northern Italy!

Our school is located in the region of Emilia-Romagna, in the town of Polinago. About 1,600 people live here.

Polinago is in the mountains. There are lots of rivers and trees. We like to play soccer and volleyball, hike, ski, and ride bikes.

Polinago is pronounced po-lee-NAH-go.

Our School

Our school has a preschool, elementary school and middle school in the same building, each on a different floor. Our classroom is on the second floor.

Next year, our school will be renovated. We will move to a different building until the work is finished.

Playground & Soccer Field

THE SOCCER FIELD

Our playground has 2 doors. It is our favorite place to play outside.

It has 2 places: 1 picnic area and a dance floor.

Around the picnic area there are 10 houses, 1 coffee shop. We play soccer and many other games.

Our class's favorite sports to play are soccer, volleyball, tennis, bocce ball, and badminton.

← This is Monte Cimone (chee-MOH-nay). It is the tallest mountain in our area. It is fun to hike to the top—and very steep. In the winter, a downhill ski area is open and in the summer, an amusement park.

There is also an important weather station on Monte Cimone. Scientists use special tools to monitor the atmosphere. They want to learn how the climate is changing.

Bathroom

THE DOOR OF THE BATHROOM IS IN POOR CONDITION. THE DOOR OF THE BOYS' BATHROOM IS BLUE AND DOESN'T HAVE A DOOR HANDLE. THE DOOR OF THE GIRLS' BATHROOM IS PINK AND IT HASN'T GOT ONE SCREW. THERE ARE 2 SINKS, 1 FOR GIRLS AND 1 FOR BOYS. THE TRASH IS BLACK AND RED; IT IS VERY BIG! TO THE LEFT OF THE TRASH CAN THERE IS A HAND DRYER. THE RADIATOR IS YELLOW.
